

## **Designation: Clinical Data Coordinator**

Are you a detail-oriented and organized professional looking to make a significant impact in the field of clinical research? Join our dynamic team as a Clinical Data Coordinator and contribute to the advancement of healthcare.

### **About Us:**

We are a leading healthcare research organization committed to improving patient outcomes through cutting-edge clinical studies. Our team is passionate about making a difference in the lives of patients worldwide.

### **Key Responsibilities:**

As a Clinical Data Coordinator, your key responsibilities will include:

1. **Data Management:** Efficiently collect, clean, and manage clinical data from various sources.
2. **Quality Assurance:** Ensure data accuracy and adherence to regulatory standards and protocols.
3. **Database Management:** Maintain and update clinical databases, ensuring data integrity.
4. **Collaboration:** Work closely with clinical researchers, physicians, and data analysts to support research initiatives.
5. **Documentation:** Maintain detailed records and documentation of data collection and management activities.
6. **Report Generation:** Assist in generating reports and summaries for research findings.
7. **Compliance:** Stay up-to-date with regulatory requirements and ensure compliance in data management processes.

**Qualifications:**

To excel in this role, you should have:

- Bachelor's degree in a relevant field (e.g., Life Sciences, Healthcare, Informatics).
- Strong attention to detail and organizational skills.
- Proficiency in data management software and tools.
- Knowledge of clinical research processes and regulations is a plus.
- Effective communication and teamwork skills.

**What We Offer:**

- Competitive compensation and benefits package.
- Opportunities for professional development and growth.
- A collaborative and supportive work environment.
- The chance to contribute to groundbreaking healthcare research.

**Location:**

Our office is conveniently located in Manchester, providing easy access to both urban amenities and a pleasant work environment.

**How to Apply:**

If you are ready to play a crucial role in advancing healthcare research and data management, please send your resume and a cover letter explaining your qualifications and interest in this position to [hr@healthgenicsolutions.com](mailto:hr@healthgenicsolutions.com). Please use "Clinical Data Coordinator Application - [Your Name]" as the subject line.

Join us in making a meaningful impact on healthcare research. Apply today and become a vital part of our dedicated team.

We look forward to welcoming you to our team!
